

Legislature would case a favorable vote in favor of the appointment of Thom Cope. Thank you, Mr. President.

SPEAKER NICHOL: Any further discussion. The question is, the acceptance of the confirmation report. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 27 ayes, 0 nays, Mr. President, on approval of the report.

SPEAKER NICHOL: The report is approved. Anything further before we move on to General File, Mr. Clerk?

CLERK: No, sir.

SPEAKER NICHOL: We'll move on to General File and, of course, that is the consideration of LR 16CA. Mr. Clerk.

CLERK: Mr. President, LR 16CA was introduced by Senator John DeCamp and Senator Dennis Baack. (Read.) The resolution was introduced initially on January 16 of last year. At that time it was referred to the Constitutional Revision and Recreation Committee for public hearing. The Committee reported the resolution as indefinitely postponed. Pursuant to a motion filed by Senator DeCamp the resolution was placed on General File on April 2, 1985. Mr. President, I do have a series of amendments pending.

SPEAKER NICHOL: Senator DeCamp, would you like to explain the resolution first. All right. But before you do that, Senator DeCamp, I'd like to introduce some guests from all over the state in the south balcony. There are 70 members of the Nebraska Farm Bureau, Young Farmers and Ranchers who are in Lincoln, I understand, for a legislative workshop. Would you folks please stand. Thank you for visiting us today. Senator DeCamp.

SENATOR DECAMP: Mr. President, before I start can I get a call of the house to find out if we even have any people here, because it is...

SPEAKER NICHOL: Is that your motion?

SENATOR DECAMP: ...hopeless on the best day, and so on and so forth.
